

JUDO MEDIATOR OF INCLUSIVE VALUES

Judo mediator of inclusive values is a role model to the young children and transfer judo values to others.

What is the role of the Judo mediator?

- I behave according to the Jita Kyoei values and I am a role model for others.
- I pay attention to what is happening in the club, school and society.
- I point out the wrong behaviours.
- I seek solutions and actively participate in the growth of the club and society.
- If I detect violence, I alert the coach, teacher, or other responsible people (police, etc.).
- I help the victim (moral support, looking for parents or other adults).
- I do not expose myself to violent acts unless necessary and I do not use violence despite my knowledge of judo.
- I help those who need help (on the street, at school, club, etc.)
